---

Preferred month (leave blank if no preference):

---

Thank you for choosing to Sponsor-A-Story for the Mechanicsburg StoryWalk!

You may donate in the amount of the specific price of the books. Two copies of the book are needed because of the pages being on the front & back sides, and we cannot photocopy pages due to copyright law. The library is often able to get a better deal on the books than Amazon due to our discount with our supplier and will notify you about costs. Typically they are \$25 or less for the two copies. You may also choose to donate over the cost of the books at a donation of your choice to cover laminating film and background pages. We accept checks or cash. Thank you again for your support!

Suggestions for themes, months, or specific titles may be made by sponsors, but please note that the Library has the ultimate decision on which stories are selected for the StoryWalk and when they are installed. Sponsors may also choose to Sponsor-A-Story in honor or memory of someone. Please note that information on the form.
